Mark Rothko (Marcus Rothkowitz, 1903-1970) the monumental figure of the 20th century art was born in Daugavpils, Latvia (then Dvinsk, Russia). Daugavpils Mark Rothko Art Centre is located in the former Artillery Arsenal building (1833) of Dinaburg Fortress, where history goes hand in hand with contemporary art and creates a unique and inspiring place for creative expression and experience. Visitors may see Rothko's works and exhibits dedicated to his life, art and his early years in Daugavpils. Other exhibits include the art works of international and national artists.

*Marks Rotko (Markus Rotkovičs, 1903-1970), spilgta personība 20. gadsimta mākslā, ir piedzimis Daugavpilī, Latvijā (agrāk Dvinska, Krievija). Daugavpils Marka Rotko mākslas centrs atrodas Dinaburgas cietokšņa artilērijas arsenāla ēkā (1833), kur vēsture iet roku rokā ar laikmetīgo mākslu, radot unikālu un iedvesmojošu vietu radošām izpausmēm un pieredzei. Apmeklētāji var redzēt Rotko darbus un izstādes, kas ir veltītas viņa dzīvei, mākslai un bērnības gadiem Daugavpilī. Citās izstādēs skatāmi starptautisko un vietējo mākslinieku darbi.*

Research made by "Frankfurt messe gmbh" are stating that the best location for establishing a large district for international exhibitions and business activities in Northern Europe and Baltic countries is the location nearby Airport "Riga", as it is right next to an highway-Ulmana boulevard, airport Riga, five minutes from city center, five minutes from old town and five minutes from the very famous resort- Jurmala. The ambassadory of United States is currently being built next to Ulmana boulevard. Construction of the building made huge investments in new technologies. This provides an opportunity to work as BANK, as providers, and work with world-class Internet research. Now building rent biggest social network "DRAUGIEM.LV" German constructors project was planned in future technologies and confirming the multi-functional possibilities. In pursuit of strategic development Latvia is on its way of putting the Riga airport's district as one of the places of the city with the fastest development. Among the buildings, which represent prestigious business brands, the building of "PINAKOTEKA" brings a whole new accent and enforces the magnificent and urban building assembly of the new district and at the same time represents latest happenings in EXCLUSIVE OFFICE- EXPO BUILDING for investment and rent.

Pinakoteka Ltd. started its operations by opening "Happy arts museum" producer group organised exhibitions. Expositions throughout the exhibition sketched new vibes of quality while still proving and confirming the multi-functional possibilities offered by new premises of "Pinakoteka". The premises can easily satisfy any call for corporate gatherings, different type of art, music, media events etc. However, this organization faces some financial issues, as museums in Latvia are regarded as non-profit organizations. Right now Pinakoteka Ltd. is relating its future with local and international projects, with reflecting most important happenings in contemporary art.
